

JOHNSON CITY RADIO CONTROLLERS

LEARN TO FLY - Get a Taste of Flying an RC Aircraft

Come One, Come All – Ladies and Gentlemen; Boys and Girls

If you've ever wanted to fly Radio Controlled Aircraft, or if you are already a flyer or new to the area and looking for a new home club with a great place to fly,

This is the event you need to attend!!!

Saturday, 30 July from 9AM until 2PM at the Tri Cities Model Airport located at

120 Lancaster Road, Kingsport, Tennessee

Everyone can get a taste of flying a Radio Controlled airplane, with an instructor, for a donation of \$5.00 for a Flight Voucher*. There will be a drawing from the flight vouchers for a Ready-to-Fly aircraft - This includes the Aircraft, Radio Control Transmitter and Receiver!! The drawing will be at 2PM. You can check out the prizes and make advanced purchase of Flight Vouchers at Hobby Town®, Located at 3515 Bristol Highway in Johnson City 24 June.

Food will be available from 11AM until 1 PM for a \$5.00 donation to the club – Hamburger, with the fixins, Chips and a drink

Flight demonstrations will be performed from 11:30 till 12:30 (during Lunch).

Come see the latest technology and easy to fly airplanes on display at the Hobby Town USA booth. Airplanes can be purchased directly from Hobby Town® USA.

*This event is co-sponsored by the Johnson City Radio Controllers and Johnson City Hobby Town USA®
We are an Academy of Model Aeronautics chartered flying club, operating from one of the finest facilities in the South East*

**Flight Vouchers will be honored from 30 July through 31 December 2022. Voucher holders will need to coordinate flight sessions with the club Flight Coordinator*
