

JOHNSON CITY RADIO CONTROLLERS

LEARN TO FLY - Introduction to Radio Controlled Aircraft and Membership Drive

Come One, Come All – Ladies and Gentlemen; Boys and Girls

If you've ever wanted to learn to fly Radio Controlled Craft, or if you are already a flyer or new to the area and looking for a new home club with a great place to fly,

This is the event you need to attend!!!

**Saturday, 26 September from 10 AM until 2PM at the Tri Cities Model Airport located at 120
Lancaster Road, Kingsport, Tennessee**

Everyone can fly an airplane for 5 Minutes, with an instructor, for a donation of \$5.00 to the club for a Flight Voucher*. There will be a drawing for Ready-to-Fly aircraft - These include the Aircraft, Radio Control Transmitter and Receiver!! All proceeds go to the Air Club, and flight vouchers will be \$5.00 each and limited to 150 tickets per plane. You can check out the prizes and make advanced purchase of Flight Vouchers at Hobby Town®, Located at 3515 Bristol Highway in Johnson City starting 8 September.

The number of planes will be based on how many Flight Vouchers are sold.

Food will be available for a \$5.00 donation to the club – Hamburger, with the fixins, Chips and a drink

Flight demonstrations will be done at various times during the event.

Ready To Fly airplanes will be available to purchase at a Hobby Town® Booth.

This event is co-sponsored by JCRC and Hobby Town USA®

We are an Academy of Model Aeronautics chartered flying club, operating from one of the finest facilities in the South East

**Flight Vouchers will be honored from 26 September through 31 October 2020. Voucher holders will need to coordinate flight sessions with the club Flight Coordinator*
