

# National Model Aviation Day.

Saturday, 16 August, Starting Time: 9 AM.  
At the Tri-Cities Model Airport.

The Johnson City Radio Controllers Club (**JCRC**) will be celebrating Nation Model Aviation Day. JCRC have a variety of aircraft airborne throughout the day and larger ones on display. We will also be having fun-fly competitions throughout the day. If you are interested in any aspect of aviation, whether with airplanes, helicopters, or other types, just drop in and enjoy.

We are a non-profit club dedicated to educational and recreational use of model aircraft. We offer **free flight training** in order to allow anyone to enjoy our hobby. Please contact us to take advantage of this free training or to answer any questions.

## Photos from our field.

*Fun fly competitions, everyone, it's Limbo time!!!!*

Helicopter acrobatics.

The egg and his bomber, ready for another mission!

A perfect one point landing. ☺

Large plane.

Helicopter reading for take-off.

Small plane.

*Our airfield is centrally located for the Tri-cities.*

*Tri-Cities Model Airport is located just off of Easter Star road, minutes from the I-81 & I-26 intersection.*
