

# Spring Fun Fly-In and Swap Meet

**Saturday, April 27th, Time: 10 - 3 PM.**

At Odom Fennell Field at  
The Tri-Cities Model Airport.

***Free Admission! Public is Welcome!***

The Johnson City Radio Controllers Club (JCRC) is hosting our annual Spring Fun Fly In event. A fun-fly gives us a chance to show off our aircraft, tools, and flying skills to other flyers and the General Public. We will have a variety of aircraft airborne throughout the day. There will be several flying skill events, such as the flying Limbo and maybe even some carrier landings. **There will also be two raffles held.**

Refreshments – Hamburger, chips and a drink- will be available for a suggested \$5.00 donation.

If you are interested in any aspect of aviation, whether with airplanes, helicopters, Drones or other types, just drop in and enjoy.

Guest flyers are welcome with proof of current AMA Membership and there will be a landing fee of \$10.00 there will be a pilot's Safety meeting at 9:30AM.

We offer **free flight training** in order to allow everyone to enjoy flying model aircraft. During the day, Instructors will provide introductory training sessions (if interested, sign up please at the field).

The J.C.R.C. is an Academy of Model Aeronautics (AMA) chartered, non-profit club dedicated to educational and recreational use of model aircraft.

**The Johnson City Radio Controllers' Club is located at 120 Lancaster Road, Kingsport, TN 37663.**
