

JCRC Meeting Minutes March 30th, 2021

Location: Johnson City Alliance Church

Presiding Officer: Dan Jackson

Secretary: Doug Lindauer

Meeting called to order: 6:00

Anthony gave the treasurer's report.

There were 2 visitors to the meeting, John Fluce and David Bennett.

Skip Weller We are still looking for something like an old freezer where we can keep chemicals.
We need a trainer airplane

New business:

Vic Koenig

Discussed getting a mailbox for the club
For security reasons, better to have a postoffice box
No motion was actually made in that regard.
Would look into getting an FAA number for the club planes

VP Phil Swihart

Discussed need for maintenance of the carport shelter (water leaks)
Motion was made and seconded to procure supplies to fix the roof and approved by voice vote
Need to paint the T33, fix the picnic tables, paint the runway line, spray weeds
Need to paint a red line to indicate where you need to stop your plane when taxiing off the runway
Work day will be Saturday, April 24th, 9am
Rotten railroad ties need to be replaced
Some old plane stations need paint/repair
Old wood needs burned or taken away
Bees and wasps in the shelter
Cost to replace the roof of the main shelter would be about \$1000
Need some more gravel for a few places in the road
Made motion to buy 20 tons of gravel for the parking lot
Keith Nelson seconded motion, motion approved by voice vote

Pres David Jones

Brought up the point that the training coordinator position needs to be a formal club position
Glenn suggested we consolidate the bylaw changes by the end of the year and presented to the club
Motion to that effect was made, seconded and approved
Brought up the idea of club shirts
Glenn Ross volunteered to research it and bring details to the next meeting
Would like to find out how many people would be interested because that would affect the price
Brought up the issue of grass between safety fence and runway
We can get paint with a 3 year guarantee for \$180
Both of the new visitors from last meeting have joined.
Indoor Fly-In will be noon to 4pm, April 10th
Next Swap-Meet/Fly-In, bring tables the day before
Showed diagram of landing approach and flight areas and passed it around for all to look at.
Made the point that we should all be courteous under all circumstances.

Tim Edwards

Chillin' n Grillin' will start Tuesday, May 4th

08

Club President took motion to adjourn and the meeting was adjourned at 7:08
