

JCRC Meeting Minutes April 2022

Meeting called to order 7:00 PM by President David Jones

19 members and 1 guest Jaydon Hutchinson in attendance

March Meeting Minutes were distributed and Glen moved and Keith A. seconded the minutes be accepted. A voice vote accepted the minutes.

Anthony presented minutes from March and April. March breakdown: Income deposit \$891.00 Expenditures: \$2,562.74 Ending bank balance: \$8,172.38 (plus \$5,000.00 CD) April breakdown: Income deposit: \$0.00 Expenditures: \$431.04 Ending bank balance: \$7,741.34 (plus \$5,000.00 CD)

An announcement was made that there would be an indoor fun fly in Asheville on April 30 from 9 AM to 3 PM. Door prizes \$5 entrance fee. Further info please see Doyle.

Electrical Committee report. Electrical work is complete. Thanks to all who worked to complete the task. A special thanks to our in house electrician who did such a professional job providing outlets at every station.

Wind indicator repair. A special thanks to Craig and all who helped repairing our wind indicator.

Phil reported on work day. Thanks to all who participated. Everything was accomplished in only 3 hours. A special thanks to Glen for supplying his tractor to repair the Southwest end of the runway area. Weed and feed for grass, tarp removal from our eating area, creation of extended parking spots, new rail ties and especially Teresa's banana pudding

Old Business: John Judd still needs volunteers to help with Fun Fly events. Please call or email if you can help. John also was the high bidder for the flite box auctioned off at Feb. meeting.

New business: Chill and Grill begins May 3d. Also, the fan in our chill and grill building is seized up and needs replaced. No further solution was discussed at this time.

IMPORTANT INFORMATION FOR ALL MEMBERS: Terry Bailey moved, due to continued concern for the houses on the street behind our driveway entrance, that the original safety flying area created by a direct line drawn parallel to our runway fence extended from each end of our runway, be re-established to determine our flying area. Craig seconded the motion. A voice vote was called by David and the motion passed. All members need to pay special attention of the new change. There will be three boards showing the flying area placed so that all can understand the changes.

Glen moved and Tim seconded we adjourn the meeting.

After the meeting Tim Edwards won the bid on a Miss Martha airplane and radio for \$100.00
