

JCRC Meeting Highlights and Meeting Minutes June 30, 2015

Vic Koenig called the meeting to order at 6:50. The minutes for May were presented. Roland Boles made a motion to accept, and Skip Weller seconded. Vic Koenig presented the Treasurer's report, with \$341 in revenues from dues and grill receipts, and outlays of \$1,443, including \$1,260 for gravel. There is a \$13,382 balance.

Roland Boles and Ed McEntire were thanked for putting decals on the T-33. The pattern school was a success, as well as the demonstration Danny Rhudy organized for the boy scouts.

Joel Tester gave the club a refrigerator, and was thanked for the donation.

The Halloween funfly's date has been changed to October 31st. The Model Aviation Day event is August 15th, with Anthony Hall running it. A volunteer could not be found for the July 25th funfly, so it is canceled. Michael Lick volunteered to organize the picnic scheduled for September 5th.

It was noted that there was lowered attendance at the grillnchills lately – Danny Rhudy stated it would be a shame if it were discontinued.

Skip Weller noted that Rod Snyder won 1st place in a jet competition, and that pictures were in the AMA magazine. Jerry Black had earned four perfect scores in a pattern competition in Georgia.

Dave Collea called attention to the AMA having increased dues to \$75.

At 7:10, there was a motion to close made by Danny Rhudy, and seconded by Craig Quillen.

Respectfully submitted,
Michael Lick, JCRC Secretary
