President's Report

Happy mid-summer greetings!

This has been a VERY eventful summer so far. We have our new runway finished, grass planted, new tables and fresh paint on the buildings. We also renamed our field to "Odum-Fennel Field" and put up a new sign declaring that fact (thank you Rod Snyder!) Our runway dedication event was a huge success with more attendance than any event in my memory and was covered by WCYB TV5 and the Johnson City Press. Ricky Matthews from WCYB TV will do a follow up story for his "Weekend Drive" series. We will post a link to it on our website and Facebook group once it airs and will send out an email once we know the date it will air (probably late August).

We want to thank all those who took part in and worked to make the runway dedication a success especially Glenn Ross, his wife and granddaughter along with several others I would list but I'm sure I would miss someone. The effort to memorialize Ed Fennell by renaming the field and presenting a plaque to his widow Nancy was one of the highlights of the event. Nancy was very touched by this effort and I'd like to thank Skip Weller for the work he did on this. I could go on and on but space is limited here and people would just call me long winded!

We've obtained permission from the city to put a water line in at the field. We created a committee to look into the cost of doing that and if it would fit into our budget for this year. August may not be as eventful but promises to provide some great flying weather and good times out at the field, don't forget to join us on "Fly-In Tuesdays" for our chillin' n grillin'.

Happy flying! See you at the field.
Doug Lindauer
JCRC President
