A great time was had by all at our Halloween fun fly, congratulation to Craig Quillen on winning the weird aircraft contest (check out the pictures below).

One last note: Our indefatigable newsletter editor, George Baker, among all the other things he does, hosts a "Hangar Day" on the 3rd Saturday of the month for anyone that wants to come out and work on their planes, fly or just hangout. Check out the JCRC Facebook group for more details.

Happy flying! See you at the election meeting.
