President's Report

IT'S FLYING TIME!!!

The club had a great April both with the work day in the cold and a perfect day for the Spring Fly –In. We had a great turnout for the event and from what I saw everyone had a great time. Pilots from multiple clubs and visitors enjoyed a day of food, fun, and fellowship. I am hopeful that our inaugural event in September will be just as good.

Chillin' & Grillin is back. If you want to have one night that you don't have to worry about cooking and have some fun and flying, join us on Tuesday evenings. The grill will be hot rain or shine, only lightning will make us reschedule. Being part of this last year was the most enjoyable part of the hobby for me. I did spend more time talking than flying but Hey, its what I like to do. People now know this is happening and we had multiple visitors come and enjoy the time with us. Getting to know members of the club better, laughing at stories Uh-Ohs during flights, and just having a time to spend with people who have the same interests makes it all worthwhile. Come on out and join us.

Tim
