Club Activities –

We had a really busy July, so August slowed down a little. And, probably a good thing too since August was one HOT month!!

On the 14th, we celebrated National Model Aviation Day with a Fun Fly.

Luckily, it wasn't nearly as hot as the past few Saturdays so there was a chance to get in some needed stick time.

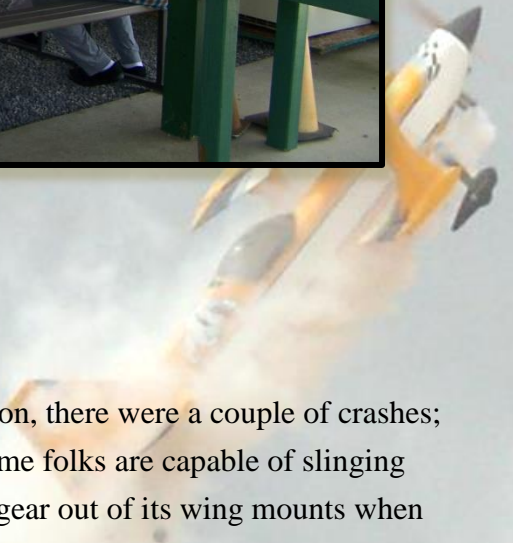

Of course, the Grey Shed Café was up and running, even with Tim being down for the count due to having to replace one of his servos (total knee replacement a couple of weeks prior, that is).

But his brother and son, ably assisted by Skip kept up the GSC traditions!! So, there was plenty of chow, including homemade banana pudding!

Early on, there were a couple of crashes; apparently some folks are capable of slinging their landing gear out of its wing mounts when doing maneuvers. But that didn't stop them from turning a Corsair warbird into a hand launched screaming eagle. All it took was a little repair time and then a harrowing hand toss.

Good Job, Anthony...Thanks for putting on the event!!

Member Information

Nominations should be sent to the Club President, email is acceptable. You can also make nominations during the September and October Meetings or by calling the President with your nomination. Nominations should be provided with enough lead time in time for him to contact nominees to determine if they are willing to serve. The ballot must be finalized 31 days prior to the 30 November Election Meeting.

Extract from Appendix D to JCRC By-Laws, Elections:

JCRC shall have one election per year at the November scheduled meeting. All members in good standing shall be allowed to vote as per membership type (See Appendix A). A simple majority of votes cast (in person and, if allowed, by absentee ballot decides each position contest.

- *Only those absentee ballots received by the Saturday prior to the scheduled November meeting will be counted during the November meeting.*

As of this newsletter, the following positions will be vacant and require nominations:

- **Newsletter Editor** (currently held by Glenn Ross)

Nominations can be made for all other Officer positions as well, but in all cases, please approach whomever you wish to nominate for an office and determine if they are willing to serve – before nominating them.
