# Membership Assistance

When looking at the recent A.M.A. website I read that there is a way to possibly get a free AMA membership with Medicare Advantage or Medicare Supplement plans.

I reached out to the A.M.A. to see if they would be able to give me any information, such as a list of plans that are partnered with them for membership assistance so that I could pass it on to our members.

They state:

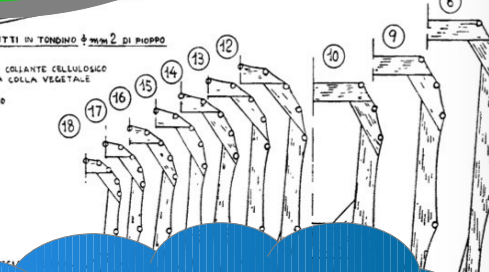

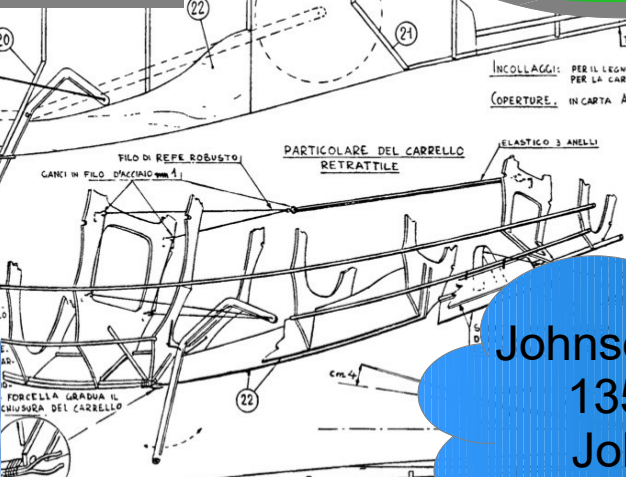

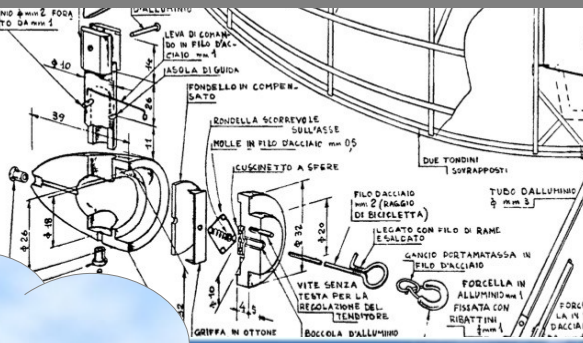

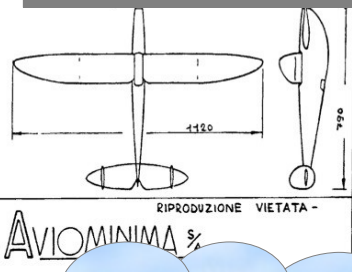

“Grouper does offer a reimbursement for membership dues with the Academy of Model Aeronautics. It is true that we accommodate many Medicare Advantage and Supplement plans, however we do not have a master list of plans that we are partnered with as it varies based on your geographic location. We typically work with plans that include wellness programs like "Renew Active" and "OnePass" so that is a good indication of one's eligibility, additionally if one has "Silver Sneakers" or "Silver and Fit" they will not be eligible for our benefit as we are not associated with those wellness programs. Members can call us to check their eligibility over the phone if they are comfortable sharing some information with us.”

If any one would like to get more information on the membership assistance or to see if they are eligible, they can contact Mr. Christopher Scance (Grouper Engagement Team) at (833) 906-1700.
